

2023 EDC MEMBERSHIP LEVELS

Champions Circle \$25,000 and Up

This is our highest level of support. By becoming a member at this level you are empowering the EDC to host a Capitol Hill Advocacy Day. Advocacy Days provide opportunities for advocates from across the nation to share their stories with legislators, and they are essential for the EDC to be able to educate Members of Congress and achieve our policy goals.

By joining the EDC at this level of support, your organization also receives the following benefits:

- Consideration for EDC Board of Directors seat
- Potential to speak at EDC Congressional briefings and events
- Private consultation with the EDC policy team regarding state-level issues
- Your organization's logo featured on the homepage of the EDC website
- Opportunities to post about your organization's advocacy initiatives and or research studies on Social Media

Executive Circle \$15,000

This level of support enables the EDC to have its policy team spend time meeting with key leaders in Congress to increase awareness of eating disorders at the federal level and build the support required for policy initiatives to be successful.

Your organization also receives the following benefits:

- Consideration for EDC Board of Directors seat
- Potential to speak at EDC Congressional briefings and events
- Private consultation with the EDC policy team regarding state-level issues
- Your organization's logo featured on the homepage of the EDC website
- Opportunities to post about your organization's advocacy initiatives and or research studies on Social Media

Policy Circle \$7,500

Your organization's contribution to the EDC at this level of support makes it possible for the EDC to dedicate a large block of time to working on legislative related work in support of the Nutrition Care Act. This bill provides for outpatient medical nutrition therapy coverage for people with Medicare, allowing those covered by Medicare to access all the primary pillars of care in the treatment for people with eating disorders.

Your organization also receives the following benefits:

- Consideration for EDC Board of Directors seat
- Potential to speak at EDC Congressional briefings and events
- Your organization's logo featured on the homepage of the EDC website
- An opportunity to post about your organization shared on Facebook and Twitter

Leadership Circle \$5,000

By joining the EDC at this level of support, you enable the EDC to host a Congressional briefing, which helps to educate Members of Congress and the public about issues and policies related to eating disorders.

Your organization also receives the following benefits:

- Consideration for EDC Board of Directors seat
- Occasional requests to speak at EDC Congressional briefings and events
- Opportunities to post about your organization's advocacy initiatives and or research studies on Social Media

Advocacy Circle \$2,500

By joining the EDC at this level of support, you are supporting over a month of our social media and public relations, informing a wide range of stakeholders from across the eating disorders field.

Your organization also receives the following benefits:

- Recognition on our membership materials including:
 - The EDC website
 - The EDC brochure and all marketing materials that the EDC produces
- Opportunities to post about your organization's advocacy initiatives and or research studies on Social Media

Support Circle \$1,000

By joining the EDC at this level of support, you allow for the production of informational resources related to eating disorders and policy issues. The dissemination of information to advocates and legislators contributes to the success of Capitol Hill Advocacy Days.

Your organization also receives the following benefits:

- Recognition on our membership materials including:
 - The EDC website
 - The EDC brochure and all marketing materials that the EDC produces
- An opportunity to post about your organization shared on Facebook and Twitter

Hope Circle \$500 (Exclusively for Nonprofits or Individuals)

By joining the EDC at this level of support, you are helping the EDC use online grassroots tools to reach out to those impacted by eating disorders. This gives a voice to those who wish to help spread awareness or advocate for policy change by contacting their Members of Congress.

You also receive the following benefits:

- Recognition on our membership materials including:
 - The EDC website
 - The EDC brochure and all marketing materials that the EDC produces
