Thank you!

The EDC would like to thank our community for its support during Eating Disorder Awareness Week!

We had tremendous participation with our tool kit and over 1,000 people participated in our Day of Action!

The Telemental Health Parity Letter was sent to the U.S. Department of Labor requesting the agency to continue telehealth care for mental health after the COVID-19 Public Health Emergency ends.

Because of our communities' advocacy, 30 members of Congress signed onto the letter!
